Many universities struggle to obtain insurance for international student athletes that covers sports injuries. Having an international insurance that includes sports coverage can reduce the claims on your school's secondary insurance thus decreasing your premium. Trustway TEAM Services has programs that not only cover medical evacuation, repatriation, maternity and mental health but also cover participation in intercollegiate sports.

## Highlights of International Student Athlete Program

- ▶ \$5,000 or \$10,000 in sports coverage
- ▶ Rates: \$35–\$90, depending on age, state and benefit
- ▶ Medical Evacuation
- ▶ Repatriation
- ▶ Maternity
- ▶ Mental Health
- ▶ For additional information, please contact  
Patrick Feely at 334-434-0905.
